and the Municipal Association of Victoria
Cat and dog reduced fee desexing voucher scheme

NOT TRANSFERABLE

This voucher, when issued by council, entitles the owner to have the cat/dog identified below desexed for a fee which is below the normal price. Both the issuing council and the veterinarian performing the surgery contribute to the concessional fee.

This voucher, with a current vaccination certificate for the cat/dog must be made known or shown to the veterinarian at the time of the veterinary appointment/booking.

The desexing of this animal contributes to being eligible for a council-reduced registration fee.

Under law, all cats and dogs over 3 months old must be microchipped and registered with council.

The appropriate age for desexing your pet should be determined after discussions with a veterinary practitioner.
