# What to expect from the Conference program

## What's Hot and What's Not

The Sheep, Camelid and Goat Veterinarians executive is proud to offer you the opportunity to attend our annual conference in Adelaide.

We believe this is the first time that the special interest group has decided to go with an annual conference and we have put together a list of quality speakers covering a range of topics. There has been no shortage of speakers wanting to be a part of the program and as a result we have big picture topics such as reproductive management of flocks, a focus on pain relief management, case reports on trace element toxicities and deficiencies, post bushfire management, insecticide resistance and is castration required for terminal lamb production. There is something of interest for all small ruminant and camelid veterinarians.

There will also be plenty of time for socialising and networking with your colleagues which we know is one of the main reasons people attend these conferences. We look forward to welcoming you to Adelaide in June for another great Sheep, Camelid and Goat Veterinarians Conference.

**Andrew Whale**  
**SCGV President**

## About the Sheep, Camelid and Goat Veterinarians

The Sheep, Camelid and Goat Veterinarians (SCGV) is a special interest group of the Australian Veterinary Association (AVA) that brings together veterinarians with an interest in small ruminant health, welfare and production. The science underpinning small ruminant health and welfare is growing as more research is undertaken in Australia, and across the world, supporting the sheep, camelid and goat industries.

The Sheep, Camelid and Goat Veterinarians was established to improve human and animal welfare by increasing the understanding of animal behaviour and its significance in veterinary science.

## Top 4 reasons to come to the SCGV Annual Conference

2.5 days of science programs expertly curated by our scientific convenors

Up to 18 VetEd points!

Great social program with lots of opportunities to network with old friends and new!

A trade and industry show featuring many of your suppliers where you can find out about the latest products and innovations!

## Who should attend?

The 2022 SCGV Conference will attract an extensive mix of veterinarians from all fields of sheep, camelid and goat veterinary science including:

Employed veterinarians

Graduating students

Practice owners / principals

Academics

Industry veterinarians

Government veterinarians

Veterinary nurses

Practice managers

# Adelaide, South Australia

It is no secret that Adelaide, South Australia is a food and wine lover's paradise. Renowned wine regions, including the Barossa Valley and McLaren Vale, are just a stone's throw from Adelaide and it is home to some of the world's best wine, including Penfold's Grange. For unique and accessible wildlife, the beautifully preserved Kangaroo Island plays host to kangaroos, koalas, sea lions, penguins, platypuses and all manner of fauna, while Port Lincoln is home to the Great White shark, Southern Bluefin tuna and Coffin Bay oysters.

## About the Venue

2022 Sheep, Camelid and Goat Veterinarians Conference will be held at the Stamford Grand Adelaide.

Located on absolute beachfront at Glenelg in Adelaide, this hotel reflects the style of grand hotels of the Victorian era. Only 20 minutes from the city and 10 minutes from the airport. A true end destination convention hotel, Stamford Grand Adelaide is focused on running events in an environment conducive to concentration. The hotel also has the largest ballroom within the Stamford Group featuring spectacular panoramic views of Glenelg Beach.

## Accommodation

We have negotiated special conference accommodation rates through Ozaccom+ for the Stamford Grand. You can book here: <https://events.ozaccom.com.au/ava-sheep-camelid-goat-conference-2022/>

- Admittance to industry exhibition (on nominated day/s only)
- Morning tea, lunch and afternoon tea (on nominated day/s only)

*Does not include social events not listed above.*

# General Information

## Cancellation

### Delegate Cancellation

Cancellations must be in writing to the Conference Secretariat 21 days prior to the commencement of the event. Cancellations received in the period up until 21 days prior to the event will receive a full refund minus \$150 administration fee. No refunds (except for COVID-19 reasons) will be given for cancellations received within 21 days of the event.

The health and safety of delegates is our highest priority. The Australian Veterinary Association is mindful of the health risks posed by COVID-19, and the importance of following official medical advice with respect to social distancing, practicing good hygiene and staying at home when unwell. We request that any delegate who is feeling unwell or has cold or flu like symptoms, or who may have been in contact with someone with COVID-19, not attend AVA events.

If you are unable to attend an AVA event, you must cancel your in-person attendance by emailing [events@ava.com.au](mailto:events@ava.com.au). A refund will then be considered.

### Event Cancellation or COVID-19 Restrictions

If the event is cancelled by the AVA due to COVID-19 restrictions, you will receive a full refund for your conference registration. If the borders are closed to the Australian state or territory you reside in and you are prohibited from attending a full refund of your conference registration will be provided.

Substitute delegates will be considered at the discretion of the organisers.

## COVID-19 Event Safety

The safety and wellbeing of our conference guests is paramount. Please see the AVA's event safety statement on the AVA website here: <https://www.ava.com.au/education-events/covid/>. Further information can be found at [www.ava.com.au](http://www.ava.com.au).

## Stamford Grand COVID-19 Requirements

Please note that it is mandatory that all delegates and organisers that are entering into the Stamford Grand Adelaide must have the ability to sign into the SA Check In App or Manually Sign in at the registration for documentation purposes. Each individual at this current stage are required to wear a mask when outside of the meeting space as per mandate from the South Australian Government. An update will be provided if anything changes in time.

## Carer's Pass

We are delighted to announce we will once again provide a complimentary Carer's Pass for delegates attending all AVA conferences and events. This will give the carer access to the conference, exhibition and sessions and allows parents/delegates nursing children to be provided with assistance. The pass does not include catering for carers. To request a pass please contact the Conference Secretariat; Stephanie McGuinness. There is no need to register online. Your Carer's Pass can be collected at the registration desk upon arrival.

## Privacy Policy

The Australian Veterinary Association Ltd (AVA) supports good privacy practice and aims to manage personal information in an open and transparent way. This policy sets out how the AVA aims to comply with the Privacy Act 1998 (Act) and the Australian Privacy Principles (APP's) which came into force on 12 March 2014. Please visit [www.ava.com.au/privacy-policy](http://www.ava.com.au/privacy-policy) to view the policy.

The AVA takes photos of this event, by attending you give permission to use images taken at the conference, as well as any written comments on our evaluation forms in advertising and promoting the AVA.

## Program

All speakers and sessions were confirmed and correct at the time of publishing. The organisers reserve the right to amend the program details as required. For program updates visit the 'Program' page of the conference website. The views and advice offered by speakers are their own views and may not represent those of the Australian Veterinary Association.
