## Welcome

Welcome back to the AVA Conference! I am really looking forward to joining my colleagues on the Gold Coast for a week of world class continuing education, catching up with colleagues and seeing what's new from our exhibitors. This year's program is packed with sessions to improve your clinical skills, business acumen and support your health and wellbeing. Come celebrate the people who have shaped our professions with the Heroes of History and Living Treasures to be recognised throughout the week.

The 2022 AVA Annual Conference has something for every veterinary professional from world class speakers, mini workshops, panels and lectures throughout the week and in-depth hands-on workshops on Friday and Saturday.

The dedicated recent graduate stream will cover topics including managing difficult clients, planning your career, and understanding the economics of business for associate veterinarians. You'll discover exciting innovations that are transforming veterinary care, and learn how to adapt and innovate to meet future business demands in a post COVID world. The extensive social program is an opportunity catch up with old friends and make new ones. I look forward to seeing you on the Gold Coast in May.

**Meredith Flash, Convenor**

## Why attend?

### The largest gathering of veterinary professionals in Australia.

The AVA Annual Conference brings together more than 700 veterinary professionals for a week of world-class veterinary education from local and international experts, over 100 exhibitors showcasing the latest technology and services as well as an extensive social program. Plus, gain hands-on experience at one of our workshops and field trips.

## 2022 Snapshot:

- AVA Annual General Meeting and AVA Awards Ceremony for 2020-2022 – Monday 23 May, 4.00pm-6.00pm
- Living Treasures – Thursday 26 May, 4.30pm-5.00pm
- Member Forum – Thursday 26 May, 5.00pm-6.00pm
- AVA Scientific Poster Competition - Monday 23-Thursday 26 May
- AVA 'Carnival' Gala Dinner & Celebrating AVA Fellows, Thursday 26 May, 7.00pm for 7.30pm-midnight.

### Annual General Meeting and 2020-2022 Awards Ceremony

*Monday 23 May 2022, 4.00pm-6.00pm*

Celebrate with your colleagues who will be honoured at this year's awards ceremony. Come and hear about the year that was at the Annual General Meeting and stay to celebrate with your colleagues who will be honoured at this year's awards ceremony.

### AVA 'Carnival' Gala Dinner & Celebrating AVA Fellows

*Thursday 26 May 2022, 7.00pm for 7.30pm-midnight.*

Join us for a night fun, frivolity and celebration.

Dress: cocktail chic/black tie optional.

2 courses plus drinks, entertainment.

Delegates and partners: **\$145**

Non-delegates and non-members: **\$290**

Become an AVA member and you can attend the AVA Annual Conference and other CPD events at the AVA member price. By joining the AVA now, you'll save on the cost of your conference registration and your AVA membership will also be extended until 30 June 2023 – that's up to six months of free membership! The earlier you act the more you save.

**Contact [members@ava.com.au](mailto:members@ava.com.au) or 1300 137 309 to join now.**

## Plenary Sessions

*Monday 23 May 2022,  
10.45am-12.15pm*

### **Welcome to Country and Welcome from AVA President, Warwick Vale**

### **Plenary - Life Beyond Fear Mark Mathews**

As a world class big wave surfer, Red Bull Athlete and Surf Contest Director Mark Mathews has become obsessed

with the relationship between personal growth, high performance and fulfilment. Winner of an unprecedented 3 back to back Oakley Big Wave Awards, Mark has cemented himself as one of the best big wave surfers in the world.

His compelling story offers game changing tips to adapt to stress, harness resilience and perform when it counts. He has deconstructed, fine-tuned, and personalised emotional resilience techniques to successfully strengthen ones mindset and sustain long term performance.

*Wednesday 25 May 2022,  
12.30pm-1.30pm*

### **Plenary - Veterinary Science, Technology and the Future Paul Higgins**

Paul Higgins is a Futurist and Strategist with Emergent Futures. He holds a First-Class Honours Degree in Veterinary Science, a Bachelor of Animal Science (Research) and a Masters Degree in Strategic Foresight.

Paul's business experience has taught him that critical business decisions have as much impact on business success as long hours of focused execution. However he recognises that most people have little time to look around and think about what might be happening. Therefore the approaches that Emergent Futures uses align themselves to the reality of a fast moving, time critical modern world from quick scanning processes to longer strategic analysis.

*Tuesday 24 May 2022,  
12.00pm-1.00pm*

### **Plenary - Cultivating Climate Courage Anika Molesworth**

Anika is a thought-leader of food systems resilience, a researcher in international agricultural development and a sought-after keynote speaker.

In 2014, she established Climate Wise Agriculture as a knowledge-sharing platform, with a modus operandi to facilitate multi-direction flow of information and skill transfer regarding climate change and farming.

With a rapidly growing global population we need to transform the food system to one that is good for both people and the planet. Changes can be made from the paddock to the plate, and by doing so we can create a more just, equitable and sustainable food system. Although the enormity and complexity of the climate challenge seems daunting, with the right skills and know-how the solutions are at hand.

**Peter Reid**

**Ed Annand**

*Thursday 26 May 2022, 11.30am-12.30pm*

### **Ben Cunneen Memorial Plenary: Hendra: Past, present and future - Peter Reid and Ed Annand**

No other zoonotic viral disease has impacted the Australian Veterinary profession more than Hendra virus (HeV) which has caused the deaths and illness of veterinarians, their veterinary staff and clients. Peter Reid and Ed Annand will take us through luminary scientific discoveries and personal experiences since Hendra virus was discovered 27 years ago including latest research findings.

## Australian Veterinary Association Wellness Centre, AVA Stand

We invite all delegates to participate in an annual health check and wellness survey. There is also the opportunity to take time-out and check out the various wellness resources we have available, as well as other mindfulness practices before heading back to lectures.

## Introducing our Keynote Speakers

**Sue Crampton (Australia)**  
**Stream: Business**

AVA/VBG Veterinary Business Professional of the year 2020.

Sue is acknowledged as a leadership trainer and consultant across Australasia in the areas of practice and organisational development, strategic planning, communication excellence & staff development and management. Sue has a Bachelor of Business, majoring in Human Resources and Marketing, as well as her Diploma in Company Directorship (GAICD) and a Masters in NLP.

Sue invests time working as Business Manager and consultant for Provet AIRC/CCG whilst maintaining a governance connection with a quality veterinary practice in Brisbane.

Sessions include:

- Career Pathways: Navigating your plan with your employer & Planning your journey
- Know your worth
- Leadership growth and development
- Managing difficult clients and conversations Part 1 & 2

**Olivia James (Australia)**  
**Stream: Equine and Dentistry**

Olivia James is a member of ANZCVS in equine dentistry (2010), a Diplomate of ICEVO (2015) expects to become a Diplomate of AVDC in early 2022.

Olivia consults on head and oral surgery of horses in Oceania and Asia with Australian Veterinary Equine Dentistry, performing referral dental surgeries and teaching veterinarians. She lectures internationally and is the Director of The Veterinary Dental Company (online equine dentistry education) and the Equine Practice Company's Business Mastermind.

Sessions include:

- EOTRH Management
- Improving practice profitability with equine dentistry
- Radiology of the Equine Head with a focus on dentition and paranasal sinuses
- Sedation techniques for standing equine dental procedures
- Sinus flaps and triphination of the equine head

**Alison Lambert (United Kingdom)**  
**Stream: Business and Recent Graduate**

Alison qualified as a vet from Liverpool University in 1989. She worked in practice for several years before pursuing a career with Hills Pet Nutrition and MARS, discovering the customer experience passion that led her to establish Onswitch in 2001. Alison is Honorary Associate Professor at Nottingham University's School of Veterinary Medicine and Science and was given the AVA's Veterinary Business Thought Leader award in 2019 and the RCVS Impact award in 2021.

Sessions include:

- Building good memories in the consult room ... everyone benefits: pets clients and you!
- "Fewer Words, Better Said" Communication clarity 10 Top tips that work
- "Time to measure what actually happens in the consult room ....the Consult room KPIs that change behaviour

**Loic Legendre (Australia)**  
**Stream: Dental**

Loic is a member of both the American and the European Veterinary Dental Colleges. He also holds a Zoo and Wildlife Dentistry Certificate from the AVDC. Loic now works in Vancouver, BC, in a Veterinary Dental Referral Centre. He shares the work with two other boarded dentists and two residents. The centre looks after conditions involving the face, the oral cavity and the nose but looks at nothing below the neck. His fields of interests are orthodontics, maxillofacial reconstruction, and exotics from hamsters to elephants.

Sessions include:

- Mandibular fracture repair without pins, plates and screws
- Oronasal fistula repair - the scourge of oral surgeries
- Tips when tackling oral tumors
- Vital pulpotomy for base narrow canines

**Tias Muurlink (Australia)**  
**Stream: Equine**

Tias graduated in 1988 and has spent most of his career in Equine practice. He has worked at the University of Melbourne Veterinary Hospital as the

Head of the Equine Centre and the University of Queensland as specialist surgeon.

In 2013, he left University life and started back in private practice based in Warwick, founding WEV and has been heavily involved with the ANZCVS with roles on the Board of Examiners and governing Council of the ANZCVS and as chief examiner.

Sessions include:

- Castration: update and how to minimise problems
- Colic - not so scary when diagnostic steps are taken one clever step at a time
- Working up a lameness in the field, including how to get useful information using your portable x-ray and ultrasound machines
- Reproductive surgeries- when is surgery helpful in achieving and maintaining pregnancy
- Wounds triage and assessment

## Member Forum

Thursday 26 May 2022 5.00pm-6.00pm

Hear how the AVA is representing members and the profession. This is your opportunity to ask the Board questions; have your voice heard and hear what's happening in your association. Come. Listen. Consider. Contribute. Enjoy.

**Christopher Pachel (USA)**  
**Stream: Behaviour**

Chris is a board-certified veterinary behaviorist and is the owner and lead clinician at the Animal Behaviour Clinic in Portland, Oregon. He lectures

extensively both domestically and internationally, teaches courses at multiple veterinary schools in the United States, and has authored numerous articles and book chapters for veterinarians and pet owners.

Chris is a sought-after expert witness for legal cases and serves on the Editorial Advisory Board for dvm360. He is also a Vice-president of Veterinary Behaviour for Instinct Dog Behaviour and Training, as well as co-owner of Instinct Portland, which opened in the fall of 2020.

Sessions include:

- Canine teenagers: adolescent behaviour development and support strategies
- Chill out – incorporating conditioned relaxation into behavioural therapy
- Don't bite the hand that feeds you: Canine resource guarding
- Feline Idiopathic Cystitis – a behaviorist's perspective
- Medication use for canine aggression cases – applications and considerations
- More than good recommendations – the impact of client communication on clinical outcomes
- Neurobiology of canine reactivity
- Risk assessment of canine aggression cases
- Separation anxiety “basics”
- Separation anxiety “beyond the basics”

## The region's largest veterinary trade show

Book early and add on the Blues on Broadbeach Music Festival, 19-22 May 2022 to your trip.

## Workshops

Receive hands on practical experience from veterinary experts across different interest areas.

### Thursday 26 May 2022

#### Equine Veterinarians Australia (EVA) - Diagnostic Imaging of the Distal Limb and Foot Workshop

Presented by world class keynotes Tias Muurlink and Alex Young this workshop is presented over 1 ½ days. Aimed at recent graduates and mixed practitioners wanting to improve their diagnostic imaging skills with a focus on the distal limb. It will provide the theoretical and practical knowledge to achieve optimal results from radiology and ultrasound equipment. By the end of the workshop, delegates will have the ability to know which modality best suits investigating the presumptive diagnosis and where an integrative approach will provide greater prognostication.

#### Compulsory Pre-workshop Lectures – Thursday 26 May, 10.30am-11.30am

Gold Coast Convention Centre

Tips and tricks for improving your radiographs with Alex Young.

Included in full and day registration

Gold Coast Convention Centre – 2.00pm-4.00pm

Diagnostic imaging for lameness that improves with palmer anaesthesia and Diagnosing proximal suspensory ligament injury in forelimbs with Alex Young.

Included in full and day registration

#### Full-day Practical Workshop - Friday 27 May, 7.00am-3.00pm

WestVETS Equine Animal Hospital,  
540 Mount Crosby Rd, Anstead

Delegates will spend a half day on each modality with hands-on practical instruction of ultrasound and radiology of the distal limb in small groups with specialist instructors. Price includes all catering and transfers from Gold Coast to Anstead and Anstead to Brisbane Airport. Please note the two locations.

- AVA Member: \$1,595
- AVA SIG Member: \$1,295
- AVA Student/New Graduate Member: \$895
- Non Member: \$2,495

Included in full and day registration

### Friday 27 May 2022

#### AVBIG Currumbin Wildlife Sanctuary Hospital Tour

8.00am-2.30pm | 28 Tomewin Street, Currumbin

Take part in an exclusive VIP hospital tour around the Currumbin Wildlife Hospital. Enjoy a light lunch and explore the park at your own pace or take advantage of a discounted koala encounter/photo. The bus will depart from Gold Coast Convention Centre and travel 30 minutes down the Gold Coast Highway to the Currumbin Wildlife Sanctuary. The bus will return early afternoon where you will be given the option to be dropped at the Gold Coast Airport or return to Broadbeach. Price includes bus transfers, park entry, a light lunch and the VIP hospital tour.

- AVA Member: \$125
- AVA SIG Member: \$110
- AVA SIG Member Partner: \$125
- AVA Student/New Graduate: \$110
- Non-member: \$250

#### VBG Exclusive Insights Tour

8.00am-4.30pm

Proudly sponsored by: Profit Diagnostix

A behind the scenes tour of three outstanding small animal veterinary practices on the Gold Coast. Pet Wellness Centre - Burleigh Heads, Reedy Creek Veterinary Hospital, Tallebudgera Veterinary Clinic.

- AVA Member: \$725
- AVA SIG Member: \$635
- AVA Student/New Graduate: \$365
- Non-member: \$1,452

#### VetEd - up to 26 VetEd points

VetEd points can be achieved over the whole week, and delegates can earn extra points by attending one of the post-conference workshops and field trips. AVA members must include their AVA membership number when registering for the conference for automatic awarding of points to their VetEd statement.

**Friday 27 May 2022****IVA workshop: Wellness, Self Care and Resilience Workshop with Petrea King, CEO of the Quest for Life Foundation**

8.30am-4.30pm | Gecko House, 139 Duringan St, Currumbin

This workshop is all about you. We struggle to function at our most skilful level if we've neglected our inner sense of health and well-being. The keys to resilience and happiness lie in our own hands. You'll leave this workshop with a clear understanding of what replenishes you and you'll feel highly motivated to implement the practical strategies, tools and skills for flourishing in your life and work. Take some time out for yourself to learn and practice self-care techniques to relieve stress and improve your mental health and well-being.

- AVA Member: \$210
- AVA SIG Member: \$195
- AVA Student/New Graduate: \$195
- Non-member: \$420

**AVCB/AVPH/AVAWE Emergency Response Workshop**

8.30am-4.30pm | Meeting Room 4, Gold Coast Convention and Exhibition Centre

In this age of uncertainty, disasters seem inevitable. Increase your business resilience and get on the front foot. Learn of the different roles that vets can play in emergency responses and how to have your clinic in the best position to support your own mental health, your clients, their animals, your wider community, and your bottom line.

Join Kevin Cooper and other experts across various veterinary disciplines to explore the critical issues of emergency response. You will leave this workshop with the right disaster plan for your clinic - whether it be against bushfires, floods or cyclones and a wealth of information besides.

- AVA Member: \$220
- AVA SIG Member: \$190
- AVA Student/New Graduate: \$150
- Non-member: \$440

**Morning Yoga**

Tuesday, Wednesday, Thursday – 6.45am-7.30am

Don't forget to join us for morning Yoga.  
Limited capacity so register early.

**AVA Mental Health First Aid - Refresher Course**

9.00am-1.30pm | Gold Coast Convention and Exhibition Centre

Mental Health First Aid is a 4.5 hour face-to-face Refresher Course for individuals that have completed a full 2-day Mental Health First Aid face-to-face course or a Blended Online Mental Health First Aid course, followed by the completion of an accreditation assessment within the last 3 years. Individuals who do not wish to be accredited, but would like to refresh their knowledge and skills in MHFA are also welcome to attend.

\*This refresher course is only applicable for re-accreditation if your current accreditation has expired within the last 3 months. To check this, you can log into your MHFA account at <https://mhfa.com.au/user/login> to verify your accreditation expiry date.

- AVA Member: \$270
- AVA SIG Member: \$270
- AVA Student/New Graduate: \$270
- Non-member: \$270

**ACV BULLCHECK™ Examination Workshop**

9:30am-5:00pm | UQ Gatton, 5391 Warrego Hwy, Gatton

Veterinarians will have the opportunity to undertake bull testing processes including the physical examination of bulls and crush side evaluation of semen, led by Professor Mike McGowan.

There will opportunity for a limited number of people to undergo a BULLCHECK™ examination. If you are interested, please contact Michael McGowan directly prior to enrolling in the course to ensure there are spots available.

Lunch and coach transfer from the Conference Centre to UQ Gatton and then from Gatton to Roma Street Brisbane included as part of registration.

We thank the University of Queensland for their support.

Please note that this workshop is available only to participants who have completed the theoretical component. The theoretical component is available as part of the AVA Conference on Thursday 26 May 2022.

- AVA Member: \$440
- AVA SIG Member: \$330

- Happy hour (Monday–Wednesday)
- Accompanying guests may attend plenary sessions (Monday-Thursday)

## Practice Managers and Vet Nurses

Practice Managers and Vet Nurses can join the Australian Veterinary Association to receive a member discount at AVA CPD conferences.

Associate members

Non-veterinarian with a close professional association with veterinarians and who have been nominated by a member, division or Group.

## Living Treasures

Thursday 26 May 2022 4.30pm-5.00pm

Come celebrate the people who have shaped our profession. Join us to celebrate the lives of veterinarians that have made outstanding contribution to the profession through leadership, education, innovation or have made a positive impact on the profession.

## General Information

### Cancellation Policy

Cancellations must be received in writing to the Conference Secretariat at [eventsmanager@ava.com.au](mailto:eventsmanager@ava.com.au) by Wednesday 20 April 2022. Cancellations received prior to Wednesday 20 April 2022 will receive a full refund minus \$150 administration fee. Cancellations after this date will not be refunded. Substitute delegates will be accepted.

### Privacy Policy

The Australian Veterinary Association Ltd (AVA) supports good privacy practice and aims to manage personal information in an open and transparent way. This policy sets out how the AVA aims to comply with the Privacy Act 1998 (Act) and the Australian Privacy

Principles (APP's) which came into force on 12 March 2014. View AVA Privacy Policy or visit [www.ava.com.au/privacy-policy](http://www.ava.com.au/privacy-policy).

The AVA takes photos of this event, by attending you give permission to use images taken at the conference, as well as any written comments on our evaluation forms in advertising and promoting the AVA.

### Program

All speakers and sessions were confirmed and correct at the time of printing. The AVA reserves the right to amend the program details as required. For program updates visit the 'program' page of the conference website.

The views and advice offered by speakers are their own views and may not represent those of the AVA.

### Handbook mobile app

Download this year's app on any smartphone or tablet. Visit the 'Delegates' page of the website to find out more.

### Child care - parents room - Carers Pass

The parent's room is located on the Ground Floor, Foyer B in close proximity to the exhibition and session rooms. Carers passes are available and provide access to the conference, exhibition, and sessions and allows parents/delegates nursing children to be provided with assistance. Contact the conference secretariat for more information.
