Personal Subscription

Provides access to the complete archive online.

- For individual subscribers NOT organisations or institutions.
- Personal subscription is included as a **benefit of EVA or NZVA membership**
- Subscription is NOT available to individuals who are eligible to join the AVA and EVA, or NZVA, who choose not to become a member. For more information about joining the EVA visit www.eva.org.au

Multi-User Single-Site

Provides access to the complete archive online.

- For single organisations located at a single campus or site.
- For single organisations operating from multiple sites that are geographically separate but centrally administered, provided the total number of people that can access the archive **does not exceed 50**.

Multi-User Multi-Site

Provides access to the complete archive online.

- For single organisations requiring access from multiple sites that are geographically separate but centrally administered, when the total number of people that can access the archive exceeds 50.
- A subscription is required for each site. Provided a full subscription is purchased for one site, branch sites of the same organisation qualify for a 50% discount on the list price (eg a three-site organisation that qualifies under this plan must pay one full subscription and two half-priced subscriptions to gain access for all three sites).

Please contact us about your requirements if you do not fit into any of these subscription categories.

The Bain Fallon Memorial Lectures

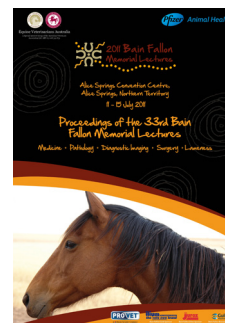

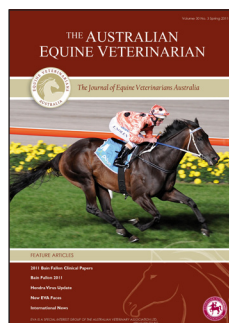

The Bain Fallon Memorial Lectures are presented annually over 5 days by renowned international speakers each July. The EVA aim to make these annual lectures the **premier resource for the continuing education of equine interest veterinarians in the southern hemisphere.**

The complete archive of Bain Fallon Proceedings on *SciQuest* contains the full text of all articles published since the inaugural meeting in 1974 to date, in fully indexed and searchable format. Currently this comprises more than 700 high-quality articles covering a wide range of topics in equine medicine, surgery, nutrition and reproduction, making this an unparalleled resource for equine practitioners.

The Australian Equine Veterinarian - the Journal of EVA

The Australian Equine Veterinarian is a peer-reviewed scientific journal published quarterly, presenting clinical papers, case reports and other material of interest to equine practitioners such as news and industry notices.

Now more than 500 key articles from the journal published since 1983 are available to subscribers online in fully indexed and searchable format.
