YOUR PARTNER IN INSPIRING THE NEXT GENERATION

✓ CPD for busy educators

CPD: Trusted, quality learning for veterinary educators, researchers and faculty.

Live webinars & on-demand: Flexible, practical professional development, anytime.

Workshops & conferences: Collaborative opportunities for presenting and sharing research and innovation.

Trusted resources: Journals, libraries and clinical tools your team can rely on.

✓ Turn insight into influence

Policy development: Share academic expertise to shape AVA policies on key issues that matter to the profession.

Representation at every level: A regional, species-specific and national voice for tertiary educators for a thriving veterinary profession.

Your influence extends beyond the classroom and lab – shaping how animal health is practiced and valued.

✓ Collaboration that drives innovation

All SIGs included with no additional fees: Collaborate across disciplines and share academia/research insights.

Academic network: Join forums and working groups shaping the veterinary profession.

Online member hub & leadership forums: Connect, share, and discuss with peers across Australia.

Career Connect: Advertise and find future educators, researchers and academics.

✓ Wellbeing that keeps your team thriving

Wellness app & THRIVE resources: Daily tools and evidence-based programs to manage stress and maintain wellbeing in demanding settings.

Member benefits: Access exclusive discounts on CPD, events, insurance, finance, and travel partners – including BOQ, Guild, BMW, Qantas Club and more.

For every veterinary professional
